

Since 1980

SPORT PINS INTERNATIONAL, INC.

Official Pin, Medal and Coin Supplier to

"Better Graphics, Better Products"™

\$3.00

Sport Pins, born in 1980, was the vision of Connie Bivens. She turned her enthusiasm for youth soccer (and her sons' Jeff and Mike's teams), and a personal hobby of pin collecting into a home based business.

Connie's first customers were the Upland AYSO, local Club soccer teams, and her sons' schools. As she continued to work with various soccer organizations all over the country, the business grew dramatically requiring the hiring of several employees. Her husband Jon retired from his corporate job in 1989 to work full time with Connie at Sport Pins. The home-based business quickly outgrew the family room so in 1990 they relocated the business to a business park in Upland.

The original name Sport Pins implied that pins were the only product. The product line has expanded well beyond lapel pins, thus they now refer to the company as SPi. The product line now includes in addition to pins; medallions, coins, embroidered patches, decals, magnets, bumper stickers, laser engraved wood, crystal, or acrylic products, silk-screened t-shirts, and soccer balls.

Other products can be found on the SPi web site: www.sportpins.com or by viewing a short video at www.sportpins.com/movie.php

Sons Jeff and Mike joined the business full time in 1994. Jeff is currently SPi's Director of Sales and Mike is the Vice President of Operations.

In 1998 the sole proprietorship became Sport Pins International, Inc., a California corporation.

The soccer market continues to be a major part of our business with softball, schools, commercial, corporate, and other markets growing in importance every year. SPi is a licensee or corporate sponsor/partner for the American Youth Soccer Organization (AYSO), US Soccer Federation (USSF), Major League Soccer (MLS), US Club Soccer, Little League Baseball, Kiwanis and many state soccer associations.

SPi customers now include anyone who has an event, a business, a cause or any other need for custom recognition and award products. SPi products are sold to customers throughout the US, Canada, the Caribbean, and Europe.

In January of 2006, SPi moved into a new 7400 sq. ft. office and warehouse facility at 888 Berry Court, Upland CA 91786.

"We have been doing business with Sport Pins and 3 generations of the Bivens Family for over 25 years and greatly appreciate their unfettered support and everything they have done for AYSO, The AYSO National Games and all of our AYSO Annual Tournaments. Their customer service, design, product, pricing and delivery are second to none."

"I became a client of Sport Pins when it was housed at the home of Jon and Connie Bivens. In the years since, I have witnessed their total commitment to providing superior service. They have secured outstanding staff who have always given that little extra effort. They have always been patient and understanding no matter how outrageous the request. Their support of the AYSO Organization and individual Regions, Areas and Section is beyond magnificent!"
